HURLEY'S SARSAPARILLA. OF all the remedies that have been discover-

d during the present age for the "thousand lis that fiesh is heir to," none equal this wonterful preparation. Only ten years have clapsed since the discoverer (who spent a de-cade in studying experiments, and perfecting it,) first introduced at to the public, and it is alreas y recognized by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain dises of which they have knowledge. All other compounds or syrups of this root have hitherto failed to command the sanction of the faculty, because on being tested, they have been found to contain noxious ingredients, which neutra ize the good offects of the
